WEDDING CEREMONIES

Ayia Napa Municipality can conduct a civil service* within the grounds of our hotel in the following specially selected venues:

Outdoor Venues:

The Deck

Overlooking Mediterranean landscaped grounds and the stunning lagoon pool *The Deck* is one of our most popular venues. Whilst enjoying the relaxed atmosphere of the hotel's central outdoor space it still retains the privacy you would expect for your wedding ceremony.

The Rotunda

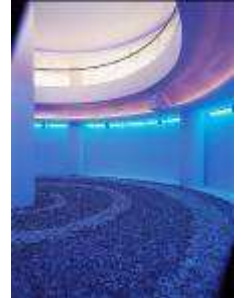

A new edition to our choice of venues is the unique and romantic *Rotunda*. Set on the very edge of the lagoon pool amidst the calming sounds of contemporary water features it's charming architecture offers you a welcoming shade without relinquishing any of the beauty of an outdoor setting.

Indoor Venues:

The P-Lounge

At the very heart of our hotel *The P-Lounge* offers you an open, relaxed and contemporary setting in which to exchange your wedding vows. With the Mediterranean sun beating down outside, this venue offers you a light and airy atmosphere in which to enjoy your special day.

Cloister Restaurant

There is a more traditional feel to this setting having taken its inspiration from the Medieval Monastery neighbouring the hotel. Flag stone floors and eloquent arches provide the stunning backdrop for a day that should not be forgotten.

* Please note for civil ceremonies at venues other than the Town Hall there is an additional charge of €150 on top of the fixed wedding fee.
